

STUFF WE HAVE & STUFF WE NEED 4/15/2008

Check vestry for appropriate linens/vases/containers. (Where is the vestry? If you stand, facing the pulpit in Hamilton Hall, you'll see a door to the far right, below the filigree woodwork. That door leads to the vestry, a small room just off the sanctuary.)

Need in general – stand alone upright cans that are presentable for every week use.

CHRISTMAS

Have

Tree

Decorations in lots of color groups, silver, red, gold etc.

Some ornaments in plastic

Lights

Grapevine wreath

5 white faux poinsettias

Enough silver-white fabric to cover burgundy fabric on railing (don't return to Christmas storage –place in linen closet)

Need

Don't buy anything until you get out all Christmas boxes and pick a theme because we have lots of stuff

We really had to take a lot of individual green pieces to fill out the rather moth-eaten garland
Battery candles

SPRING/SUMMER

Faux peonies and narcissus

Faux dogwood branches in basket

Basket of faux pink tulips

'Egg tree'

Huge Gay Pride Flag – see Kristin Montan

Fresh Bamboo – see Joan Polter (March)

Flower Communion -- there is a double arch (Whose? Where?) that people bring flowers to put on and then swap...

Need

Would be nice to have a faux version of the standard fresh flower arrangement that we get (note the arrangement in the photo on the UU religious education web page) Can be hand-made but faux gladiolas running \$8 ea. Need 24 for a show.

FALL

Small faux gourds, pumpkins. Leaf garland, leaf wreath

Faux chrysanthemums in pots – too dark, be sure to add the yellow sunflowers to them or they will not look like flowers up there

Weird stuff for Day of the Dead – fake crows, paper flowers, etc.

Need

Folks to bring in branches of live fall color material some Sundays Sept-Nov
