

Candidating Week with Rev. Theresa Soto

Candidating week is the primary means of mutual discernment for the congregation and our candidate for settled minister. This is the time for you to ask Rev. Theresa Soto your questions, and at the same time, Rev. Soto wants to learn more about us and our congregation's interests. Please participate in this important time in the life of the congregation! **You are warmly invited to attend as many open events as you wish, regardless of meeting focus! All events are open unless otherwise noted.**
